October 5, 2022 Successful Aging Expo Speakers Old Town Hall, Hilton Garden Inn, Freeport

			<p>This presentation helps us remember how we learn and why it is so important to the aging brain. We all fear the loss of our cognitive functioning as we age, but there is much we can do to reduce the risk of dementia through continued learning and socialization. Join us to learn how Midcoast Senior College assists in this quest for healthy aging</p>
<p>1-2 p.m.</p>	<p>Downsizing with Linda McCullough from The Church Ladies</p> <p>Get some tips and tricks for downsizing, and learn where and how to get rid of excess stuff.</p>		
<p>2:15 p.m. with refreshments</p>	<p>Valerie Lovelace, Executive Director Maine Death with Dignity</p> <p>“Understanding the Maine Death with Dignity Act.”</p> <p>Gain essential facts about qualifying for the Maine Death with Dignity Act to fully understand what it is and what it isn’t.</p> <p>Maine Death with Dignity’s overall mission as a 501(c)(3) non-profit is providing services, education, and end-of-life advocacy to people who wish to actively explore the meaning of life through embracing the certainty of death.</p> <p>A primary program of Maine Death with Dignity is connecting people to the information they need to learn more about Maine’s Death with Dignity Act and to support patients and providers through the entire process as needed.</p> <p>Valerie Lovelace is executive director of Maine Death with Dignity. Among other end-of-life topics, she educates on the history of death with dignity in the United States, how the laws work, and the eligibility requirements for receiving life-ending medication a terminally ill patient may take on their own to end their life peacefully and humanely at a time of their choosing.</p>
